

THANK ANYTHING

MY TEACHERS

(Professor Thomas, Cris, Louis, Dr. Kim, Doug, Professor Cusack, Dr. Arneson...)

I followed my dreams, to sing, to dance, and to act,
I got scared along the way, but you always kept me on track.
Thank you for the classes and such dedication to the rudiments,
I will cherish the memories of my days at Westminster, as an eager and excited student.

MY FABULOUS FRIENDS

(Amanda, Leah, Danielle, Sam, Ben, Nicole, Jon, Lydia, Billy, Rachel, Lauren, Alex, Vince, Alyssa...)

Thanks for the fun, thanks for the laughs,
Thanks for the love; it's made the past three and a half years a blast.
This is only the beginning of a wonderful thing,
So let's keep on trucking, always with a song in our hearts to sing.
You all have been such a blessing.

PROFESSOR PAGE

Those hours of lessons were truly labors of love,
You, me, and Mary sharing moments on the third floor above.
I thank you for all your support, patience, and care.
It's been a journey, and I think we make a great pair!

MOMMY AND POPSICLE, JESSE AND DANIEL

You're my family, my rock.
Parents, without you, I'd probably be living in a sock.
Through the highs and the lows, you've stuck by my dreams,
And even when I'm frustrated, you keep me together at the seams.
Younger brothers, you think I'm crazy, and sometimes I think you're right,
But knowing that you still love me helps me see the light.
Everything is shifting as graduation comes in sight,
I don't know what's to come, but family, I'll love you each day and night.
