

THANK YOU!

Mom and Dad

You have always supported me in all of my artistic endeavors. Thank you for understanding what it's like to go through music school! Your sympathy in the realm of ear training and music theory was greatly appreciated! I admire and respect you as musicians, and I love you as parents.

Alden

Viking guitarist extraordinaire/Jari-to-be! Have fun going to Berklee next year; I'm sure you'll have as much fun and as many mental breakdowns as I did at music school! "Still round the corner there may wait/A new road or a secret gate"—*Tolkein*. \m/

Kate

I am so grateful to have had your support for the past three years! You inspired me to love singing, even when I doubted myself. Whether it was in Italy, New York, or Princeton, the moments I have spent in your studio will always be some of my fondest. Grazie mille!

Louis

Singing with you is like singing with an amazing one-man orchestra. You've been a wonderful coach and I will *really* miss jamming with you next year! Thank you for all the rep you've picked for me; if it weren't for you, 90% of the songs on this program wouldn't be in my book!

MT Class of '10

You're all crazy and fun and unique and talented and fun and..... We've all grown so much. I can't wait until we take NY by storm this fall! You're all such moving performers and I'm so happy to have had the opportunity to make music and perform with you!

You guys have kept me sane in this insane community we call Westminster. Thanks for traveling with me, living with me, studying (Trends) with me, sharing music with me, and creating music with me. If we got through Schola tour, we can get through anything together!

Everyone who honored me with their presence on this fine evening
THANK YOU! Whether you traveled hundreds of miles or just walked across campus, it means the world that you shared this experience with me!
