

The Senior Recital of Samantha Apgar
accompanied by George Cullinan

Mom and Dad -

You are amazing. Every day I realize all over again what amazing parents and amazing people you are. You never give up on me. Ever. There is no possible way I could ever thank you enough for everything you have given me. Thank you for raising me to be a decent human being. I love you both.

Nathan -

If given the choice of every little brother in the entire universe (so this is including alien species) I wouldn't choose anyone other than you. Even if the potential little alien brother could do something really cool like fly or turn lead into gold. Thank you for putting up with a elder sibling as obnoxious as me, and never forget: although you may be taller I will always be smarter.

Kate -

You changed my voice. You believed in me and made me realize I could accomplish so much more than I had ever dreamed. Thank you thank you thank you.

Danielle -

We went to an art museum in Amsterdam? Oh my god....WE'RE ON A BOAT. Want to watch the horses having sex? PARTY IN THE USA. The stripper swindled him out of three hundred dollars. TOAST! Lets burn incense under the statue of King Gustav. KITTY. I think you were a cat in a past life...I have probably spent more time with you than any other human being in the past three years and I will seriously miss living with you.

Althea, Anna, Meghan, Farah, Alison, Andrea, Andrea/Cecile -

You guys have been there for the long haul, seen it all practically from the beginning. I've known you for over half my life. You've always been there. I can't thank you enough for that. You're like family. Let the karaoke sound on forever!

Rachel B., Ben, Rachel H., Amanda, Lydia, Leah, Jon, Billy -

You've managed to put up with four years of my idiosyncrasies, bad life choices and intense yet changeable emotions. I like you all. Thank you. WE MADE IT!!!

Mike -

"Before I knew you, I was like a completely different person. Not even a person, really. And I had seen what love could do to people, and it was hurt and sadness. Alone was better. And then suddenly there was you." - *Buffy the Vampire Slayer*
